

Specialist clothing for angel babies

Since 2013 Little Things has provided bespoke clothing to babies born too soon, when standard items were too big. We believe that every child deserves to go to their final resting place dressed with dignity. Little Things provides clothing to 31 hospitals throughout the UK as well as individual requests from grieving families. A baby-gro, blanket, cardigan or tiny pouch can be provided especially made for every baby.

After a baby dies it can leave their family feeling like they have lost control. By handing them back a simple option, like dressing their baby, it can help to alleviate the feelings of helplessness and frustration. Research shows that being able to dress your own child, in clothing that is suitable to their size can assist with these 'out of control' emotions.

If you are a parent wishing to dress your baby with our help, a midwife needing our items or you know someone who needs our services please get in touch. **All items are provided free of charge.**
