

Little Haven

Sometimes you just need a little peace and quiet. Little Haven is a designated baby and child memorial garden. Created especially for you, somewhere set aside where you can find peace and quiet to think about your baby, or just have time alone with your thoughts. If you need Little Haven you can find it tucked away not far from the main entrance of Derriford hospital. From the main entrance turn right after the bus stop and we are on the right behind the disabled car park.

A memory lane of pebbles has been created at Little Haven to remember those children gone too soon. Please feel free to leave your own, bearing your babies name or contact us and we can arrange to organise one for you.
