

# Little White Angels

At Little Things and Co. we truly understand the difficulty of having to say goodbye to your precious little one.

As our gift to our majestic white birds can be released at your child's funeral to mark their short but precious life. We deliver the birds to your chosen funeral director and organise all of the details.

If you would like to book our beautiful birds to attend your baby's goodbye, please get in touch with Gary or LeighAnne on **07779 990993** or email **info@ltandco.org**

Please note this service is currently only available within Plymouth and the surrounding area.
